BE EPICURIOUS. BE EUROPEAN.

EUROPEAN PARTNERSHIP FOR **AN INNOVATIVE CAMPUS UNIFYING REGIONS**

The EPICUR alliance's ambition is to transform education, research and transfer practices and opportunities across its member universities in order to develop original cutting-edge solutions and train new generations of change makers.

Through connecting the complementary forces of nine universities and regions, EPICUR will impact the higher education sector sustainably.

OUR MISSIONS

Research-based Education

Creating an innovative education portfolio of physical and blended courses to foster lifelong learning.

YOUR BENEFITS

Students Summer Schools & Exchange

Interaction with Society

Engaging with society and regional stakeholders to tackle global challenges together.

Internationalisation

Connecting all university members and increase mobility to enhance intercultural understanding.

Digitalisation

Connecting through a joint digital campus to boost the digital transformation.

Strategy & Visibility

Developing joint policies to influence the European Higher Education Area and gain visibility.

Get to know your international peers, engage in interdisciplinary projects, take free language courses, boost your entrepreneurship skills and take up the opportunity for your first international exchange.

Build synergies and connect to a vibrant network of researchers, join forces for projects, apply for the EPICUR seed money and teach in an international environment.

General Staff Trainings & Job Shadowing

Meet your international counter parts, join for staff weeks and online trainings, engage in a job shadowing programme and improve your language skills.
